

# “Stuff the Foyer”

## Thanksgiving Stuffing Drive

**Our goal is to provide 90 boxes of stuffing by noon on November 16th!**

Today, more than ever, there is a growing population that struggles to make ends meet; the working poor; the elderly on fixed incomes; the single parent, and the disabled. The EFA is working with Brunswick Food Bank to provide stuffing for the Thanksgiving packages that will be provided to 90 local families in need. Please help us “Stuff the Foyer” with stuffing for this outreach ministry.

What a great opportunity to show your child how to give back to their community!
